Siricilla, Rajanna Siricilla, Siricilla, Telangana, 505301, IN

Results-driven and adaptable software developer with hands-on experience in designing and implementing responsive web applications using the MERN stack. Strong understanding of data structures, APIs, and modern development practices. Committed to continuous learning and delivering high-quality, user-focused solutions.

Work Experience

MERN Stack Developer Intern

Dec 2024 - Jan 2025

EY Global Delivery Services & AICTE

- Building Modern Web Applications with MERN Stack
- Strengthened knowledge of React (frontend), Express.js (backend), and database management, preparing for real-world applications.

Projects

Spotify - Clone

Developed a fully responsive Spotify-inspired music streaming web app with features like song search, playlist browsing, and audio playback using React and Spotify Web API. Implemented global state management with Redux and ensured seamless navigation and persistent playback using React Router.

- Real-time music playback with play, pause, and skip controls
- Dynamic search for songs, artists, and albums
- Playlist browsing with track metadata and artwork
- API integration with Spotify Web API for live content

Fitness Management System

Developed a full-stack web application to manage home-based fitness and diet plans tailored to users' goals and budgets. Integrated personalized workout categories, budget-based diet plans, a calorie calculator, and meal reminders for an interactive, goal-oriented fitness experience.

Goal-based workout plans (e.g., Weight Gain, Fat Loss, Muscle Building)

- Budget-friendly diet plans with pre/post-workout meals
- Calorie calculator to recommend daily intake
- Meal reminders based on selected schedule

Core Skills

Programming Languages: Java, Python, SQL

Frontend: HTML, CSS, JavaScript, React.js, Tailwind CSS, Bootstrap

Backend: Node.js, Express.js

Databases: MongoDB, MySQL

Tools: GitHub, Git, Postman, VS Code, Docker

Soft-skills: Problem-Solving, Team Collaboration, Time Management, Critical Thinking, Adaptability, Leadership.

Exposure to Coding Platforms like LeetCode, GitHub

Education

Vaagdevi College of Engineering, Warangal

2023 – 2026

Bachelors of Technology in Computer Science & Engineering | CGPA: 8.66

VMR Polytechnic College, Warangal

2020 - 2023

Diploma in Electronics and Communication Engineering | CGPA: 9.38

Languages:

English, Telugu, Hindi

Certificates

AWS Solutions Architecture Virtual Experience

Forage

Building Modern Web Applications with MERN Stack

Edu net Foundation - AICTE & EY GDS

Data Analysis with Python
